Office of the Director of Civil Supplies 52-18
in Mysore, 1

No. Dated, Bangalore, 24th July 1918.

Dear Sir,

I beg to bring to your notice that it is reported from Shimoga District that there is difficulty in getting salt, the merchants having apparently not ordered its supply in retalia-tion for the export of rice being stopped. I have asked the Deputy Commissioner whether supply by Government would be neces-sary, and shall address Government again in the matter.

I wish to add that interference with trade is likely to result in similar measures and perhaps strikes on the part of merchants, and we have to be prepared for them.

I am also making enquiries whether there is any dearth of urgent necessities and what steps are called for.

Yours sincerely,

K Mundy

Director of Civil Supplies.
